INTRODUCTION TO BECOMING A GOVERNANCE OFFICER

Course Overview

This 1-day introductory course is ideal for individuals aspiring to become Governance Officers. It covers fundamental governance principles, the key roles and responsibilities of a Governance Officer, and practices that help organisations meet legal and regulatory requirements. Participants will gain insights into effective governance frameworks and their significance in both public and private sectors. Tailored for members of Blue Light services, CGI, and NGA, this course offers special pricing for those interested in pursuing governance roles within their organisations. It's an excellent opportunity to build a solid foundation in governance.
